

19th August 2010

MUSIC DEPARTMENT

EXTRA-CURRICULAR INSTRUMENTAL TUITION

Dear Parents,

The music department will be offering extra-curricular instrumental tuition to students. Previously we have offered tuition in piano, voice and guitar, however tuition in strings/woodwind/brass or percussion may be available if there is enough interest.

Lessons will be for 40 minutes and take place during school hours on a rotation basis. Students who wish to have lessons after school should note this on the form below.

Highly qualified, experienced musicians will provide lessons. Fees will be confirmed on confirmation of classes taking place. Please note that it is the responsibility of the student that he/she attends their lessons as arranged. Any lessons missed by students, will not be refunded.

If you wish to avail of this tuition, please complete the application form below and return to the school office for the attention of Ms. Diane Owens, **by Wednesday the 1st of September**. Places will be limited and allocated on a first come first served basis.

Ms. Owens will contact all students on receipt of this form.
