ADMISSION POLICY STATEMENT

“St. Gerard’s is a Catholic co-educational school committed to giving all pupils in its care the best education possible. It aspires to ensure that they achieve their potential and that the end result is well-rounded young adults who are articulate, reflective and confident”.

The Right of Admission.

The right of admission to the Junior School rests ultimately with the Headmistress acting on behalf of the Board.

Consideration.

In exercising her discretion over who is admitted, the Headmistress will consider, among other things, the following:

1. Junior Infants: For the Junior Infant class, special consideration is given to children attending St. Gerard’s Montessori school.
- 2 Siblings: While there is no automatic entry for siblings, entry to the Junior School is the norm for siblings of children already attending St. Gerard’s School.
3. External Applicants: External applicants will be considered for entry as and if vacancies arise. Special consideration is given to children of past pupils.
4. Gender Mix: The School’s aim is to ensure an acceptable gender balance as far as is possible.
5. Educational Needs: If the Headmistress believes that St. Gerard’s cannot provide for the educational needs of an applicant, entry will not be offered. To ensure that applicants can benefit from the educational programmes on offer, assessments and interviews may be carried out.
6. Senior School: For pupils from the Junior School, entry to the Senior School is the norm, but is conditional on the recommendation of the Headmistress of the Junior School and the agreement of the Headmaster of the Senior School.
7. Applications: A cut-off date, after which applications will not be considered, may apply.

Notwithstanding all of the above, the Headmistress, acting on behalf of the Board, has the right to refuse admission to the school.
