

Junior Cycle Results 2025

Dear Parents, Guardians and Students,

Congratulations to the Junior Certificate Class 2025 on their excellent Junior Cycle Results today. We are extremely proud of all of their attainments and we wish them well as they commence their Transition Year journey.

- **61% of all grades were attained at Distinction or Higher Merit (75%+).**
- **90% of all grades attained were at Honours level (55%+, Merit or higher).**
- **45% of the students attained a maximum of 10 higher level honours.**
- **68% of the students attained 9+ honours.**
- **80% of the students attained 8+ honours.**
- **87% of the students attained 7+ honours.**
- **91% of the students attained 6+ honours.**

This set of results augers extremely well for this Transition Year group with their chosen Leaving Certificate subjects for the Leaving Certificate in June 2028.

The average honours for students in the year group was an excellent **8.51 honours** per student. (*Class of 2022 average honours= 8.47, Class of 2023 average honours = 8.49, Class of 2024 average honours = 8.55*).

This is a most capable Transition Year group who have the ability of continuing their academic success to Leaving Certificate level with excellence in attainment throughout.

We are a mixed ability school and are extremely proud of the achievements of ALL our students and we recognise their dedication and commitment to their studies.

I would like to take this opportunity to sincerely thank all of my colleagues on the teaching staff who have worked tirelessly to ensure that the continued excellence of academic standards and repeated quality attainments of the students are both cultivated and enhanced annually.

Many thanks to our parents for your ongoing support and encouragement in all things academic and congratulations once again to the Junior Certificate Class of 2025.

Craig Petrie
